**CAUSE ON. 4213
Resolution No. 2004-2**

Benita Fox
CLERK BROWN CIRCUIT COURT

WHEREAS the Board of Directors of Cordry Sweetwater Conservancy District in consultation with legal counsel, did determine that contractors/builders/homeowners building boat docks or other structures on the waters of Cordry and Sweetwater lakes without express approval of the Conservancy, are trespassing on Conservancy-owned property, as the lake bottoms are property of the Conservancy.

THEREFORE, BE IT RESOLVED that the Cordry Sweetwater Conservancy District Board of Directors agrees that once a Conservancy representative notifies a contractor/builder (or their employees) or a homeowner that they are trespassing and/or defacing Conservancy property without Conservancy approval, they are subject to the following measures:

1. All work must stop.
2. All persons must vacate the Conservancy property. Failure to vacate property could result in immediate arrest for trespassing.
3. The Conservancy may levy a \$100.00 fine. For every day unapproved construction would continue, the amount of the fine levied will double for each occurrence, i.e., initial fine \$100; first occurrence of continued work, fine is \$200; second occurrence of continued work, fine is \$400, etc.
4. The stop work will remain in effect until such time as the contractor/builder/homeowner has obtained the required Conservancy approval.
