New Business:

- A proposed Facility Use Agreement for the South Shelter House at the Beach was reviewed. Proposed Agreement will be presented at the next CSCD meeting.
- Zebra Mussels – There is concern with boats that transfer between outside lakes and Cordry/Sweetwater bringing zebra mussels into the lakes. Looking at possible solutions.
- Boat Driver Safety – Heritage Lake requires an online test at time permit is issued or re-issued for any operators of boats on their lake. Operator must score 85% or higher. CORDRY SWEETWATER CONSERVANCY DISTRICT

DEPUTIES REPORT

02/09/2021

Sheriff Southerland, Josh Hawley, and myself looked over all the applications. One was picked to be the best from all we had received. Zack Sheppard-21 years old born and raised in Brown County who is currently employed with the Brown County Sheriff's Office as a Jail Officer.

Sheriff Southerland has given his approval on Zack to become a Deputy Sheriff with Cordry Sweetwater/Brown County Sheriff's Office

Please remember to drive with care as we may continue receiving both ice & snow. Thanks to the road crew who has done a great job maintaining the roads.

We are working a case involving theft of \$35,000.00 in jewelry involving a contractor from out of county. I have DNA, that will be sent to the lab. We have two great suspects.

Deputy Clark assisted the County Officers on 02-08-2021 with a homicide on Hicks Rd just outside of the back gate.

Respectfully submitted,

Chief Deputy

Sgt, Jimmy Green
