

Cordry-Sweetwater Conservancy District

JOB OPENING

Application deadline is April 15th

Boat Patrol

Part-Time/ Seasonal

Want to spend your summer patrolling two of the cleanest lakes in Indiana? Cordry-Sweetwater Conservancy District is looking for individuals to patrol our lakes to keep them safe and secure. Boat Patrol is responsible for keeping our lakes private and for educating and enforcing lake rules.

Ideal applicants will know how to operate a boat, ability to enforce rules and regulations, be able to handle tense situations including intoxicated people, and the ability to educate people on proper boating and our lake rules.

Starting pay is \$10.00/ Hour

Primary Responsibilities:

1. Responsible for responding to emergencies on the lake. Responsible for contacting law enforcement officers in an emergency and for noncompliance of CSCD rules. Responsible for completing accident and incident forms as needed.
2. Must have thorough knowledge of CSCD Rules and Regulations as well as Indiana Boating Laws.
3. Responsible for keeping patrol boat clean and in a presentable condition; free of trash. Police the lakes for trash, debris, and litter.
4. Responsible for monitoring the idle speed lights on the lakes as described in the CSCD Rules and Regulations.
5. Responsible for reporting mechanical or maintenance problems related to the patrol boat operations to the Conservancy Manager in a timely manner.
6. Must remain considerate and diplomatic while in contact with the public.

7. Maintains a required log of all incidents, stops, problems, and confrontations. Gas and oil usage for the patrol boat must also be logged.
8. Responsible for returning the patrol water craft and radios to proper location at the end of shifts. Reports to the Conservancy Manager.

Job Qualifications:

1. Must be certified or obtain certification in basic First Aid and CPR.
2. Must be familiar with operating a watercraft.
3. Must be at least 18 years of age.
4. Must have the ability to carry out duties and responsibilities under minimal supervision.
5. Must have good working knowledge of CSCD rules and regulations and Indiana Boating Laws.

Physical Demands Requirements:

1. Must be physically able to perform duties.

Working Conditions:

1. May be exposed to a variety of elements and weather conditions including long periods of sun exposure, rain, and wind.
2. Weekends, evenings, and Holidays may be included in your schedule.
3. You encounter intoxicated and/ or argumentative boaters from time-to-time and must be able to diffuse or handle the situation.
