Roads Commission

5:00pm August 8, 2026

Agenda

i. Pledge of Allegiance
ii. Approval of Minutes.
iii. Freeholder Concerns

iv. Director of Operations Report

- Cedar Dr. drainage work to continue
- Milestone was award paving contracts for Hummingbird and Muskrat Dr. scheduling is in the works. ** Water service lines still need replaced.
- Roberston Paving was awarded the bid to crack seal all main roads. This will take place in the fall. Volunteers needed for traffic control.
- Speed humps are being scheduled with a contractor familiar with the specifications and has installed them for the city of Bloomington.
- The rains on August 1st washed out several side gravel drives. These have all been graded. Some ditching is still needed on select drives and will be addressed.

v. New Business
