DRAFT Roads Commission Meeting

June 4, 2026

Present: Greg Harper (Board), Dave Jarrett, Larry Trueblood, Eric Vonhoven (CSLOA), Nick Johann (CSCD).

Absent:

Guests: Sharon Ketner, Mike Robinson, John Vielee for Lyn Sinex

Mr. Harper called the meeting to order at 5:00 pm

Approval of Minutes – passed unanimously

Freeholder Comments

Mrs. Ketner – discussed water running down Greywolf Dr into the yard behind the house. Request for the curb to be extended in the rear of Mr. Robertsons house. Discussion of coordinating the curb extension with the paving of the speed humps. Mr. Jarrett stated the conservancy is not going onto private property to improve it. It is the responsibility of the homeowner.

John Vielee – Cedar Dr. water coming down south edge of road. Suggested digging ditch deeper and emptying into her parking area in front of the garage.

Tom Smith – three culverts on Duck Ct. are completely covered up.

Director of Operations Report

Cedar Dr. Drainage

2026 Crack seal & Patching

I am seeking discussion and direction regarding the 2026 road maintenance program. Specifically, whether to proceed with the planned crack sealing on all main roads or reduce the scope of crack sealing to allocate funds toward roadway patching and repairs. *The commission discussed the subject and agreed the funds should be used on crack sealing.*
