I. 2020 Bids Update

- a. Discussion on crack sealing bid received, significantly higher than two years ago. Mr. Crimmins has spoke with Reece Sealcoating about their bid and is now awaiting bids from two other suppliers. Mr. Crimmins is also working with Superintendent Hawley on getting more bidders for future paving projects.

II. Backgate Property

- a. Mr. Jarrett penned a letter to property owner of the short backgate entrance to the District across from the Church on Sweetwater Trail inquiring about the possibility of the District purchasing the property.
