

*DRAFT*  
CORDRY SWEETWATER CONSERVANCY DISTRICT  
**Roads Commission**  
November 1<sup>st</sup>, 2018

**MEETING NOTES**

**Members Present:** Chad Crimmins, Dave Jarrett, Betsy Serra

**Members Absent:**

**Other Attendees:** Josh Hawley (CSCD Superintendent)

- I. **Winter Prep**
  - a. Mr. Hawley spoke about the preparations underway for all the winter storm equipment including the new Liquid Program that includes a brine maker and multiple tank/spray units
  
- II. **5 Year Paving Plan Update**
  - a. Mr. Hawley submitted a potential 5-year paving plan that looks to repave many of the crumbling side drives in the district as well as a list of prioritized gravel roads that COULD potentially be paved based on a number of factors including cost, # of residents on the road, terrain, current drainage, and more. The Roads Commission will use future meetings to discuss and make any changes to this plan as needed.
  
- III. **Mr. Crimmins and Mr. Hawley will schedule an appointment with County Commissioners and the Highway Superintendent to go over the lack of funds available from the county for our roads despite them being listed as county roads.**
  
- IV. **Adjournment**

**Adjournment**
